NORTHUMBERLAND  
AVENUE

LONDON'S MOST CENTRAL VENUE

A vintage-style illustration of a theater stage. The scene is framed by heavy, draped red velvet curtains. In the center, a large, ornate, glowing chandelier hangs from the ceiling. Below it, a woman in a red dress stands at a microphone, singing. To her left, a pianist is seated at a grand piano. To her right, a waiter in a red and black uniform stands near a small table with a glass. The floor has a black and white checkered pattern. The overall atmosphere is classic and elegant.

Get ready for the most exciting spectacle of 2024!

House of Velvet is the hottest, most exclusive ticket in London's cabaret scene.

World-class acts and opulent luxury converge, offering an electrifying experience that goes beyond the stage.

While most are left dreaming about it, you're among the lucky few with exclusive access to this captivating experience where every moment is designed to awaken your senses.

# House of Velvet

This is not your typical cabaret club; is the epitome of exclusivity, crafting experiences that linger in the soul. It's a space where the ordinary transcends into the extraordinary, and every moment becomes a celebration of the exceptional.

Internationally acclaimed acts, the crème de la crème of the performance world, grace the stage at House of Velvet. From the melodic tunes of the enchanting Miss Jaqueline Kitt to the mind-bending illusions of the mysterious Criss Mystique each act is a symphony of talent that promises to leave you completely speechless.

But entertainment is not just on stage; it's all around you. Rich velvet drapes, opulent chandeliers, and elaborate art and décor set the tone. The sounds of music and clinking glasses compose a subtle melody, while the air carries the aroma of gastronomic delights, creating an immersive experience where every element from touch to scent contributes to awakening all your senses.

This night at House of Velvet is destined to be remarkable, unforgettable, and perhaps too good to be true. Experience it, and you'll leave longing for more.
